

NTSC – Updated Statement Regarding COVID-19

March 12, 2020

With the rapid onset of cancellations and restrictive actions instituted by governments, agencies, school boards, and other institutions, the *North Toronto Ski Club Board of Directors* deems it best to follow this lead.

Therefore, all **day trips** and **socials** are suspended immediately until further notice.

Members who have registered for any cancelled events and paid a fee will have their accounts credited for the charge. If the credit cannot be used by NTSC year end, refunds will be issued per club policy.

These cancellations do not affect upcoming charter trips.

Statements about those will be issued as soon as possible.

Any inquiries may be sent to:

Nicholas Van Sluytman
President, North Toronto Ski Club
