

NTSC Snow School Instructor Role Description

Responsibilities:

Teach adult members and their guests to ski and snowboard according to the standards of the Canadian Ski Instructors' Alliance (CSIA) and the Canadian Association of Snowboard Instructors (CASI) in a safe and fun environment.

- Compliance with all NTSC policies and procedures as set out in the club bylaws
- Teach skiing/snowboarding lessons according to CSIA/CASI standards and within the current level of certification
- Responsible for the safety of each member/guest in the instructor's care
- Be knowledgeable of and teach the variety of lessons that NTSC offers
- Be knowledgeable of and teach the Alpine Responsibility Code
- Commit to the minimum requirement of availability to teach lessons on the assigned days
- Attend regular instructor training to remain current in our technique, teaching methodology and equipment knowledge (including mandatory On Hill Training Weekend Dec. 15-16, 2018)
- Assist with the organizing of ski and snowboard lessons
- Support the process of renting gear for lesson participants
- Log all class and student information on Snow School Portal
- Other related duties as required

Qualifications:

- Minimum CSIA or CASI Level 1 certification, current and in good standing
- NTSC member in good standing
- Excellent communication and guest service skills
- Personable and helpful
- Ability to participate as a member of a cohesive team

Benefits:

- Annual instructor gift is commensurate with the current level of CSIA/CASI certification and lessons taught
- Bus and Tow provided on days taught
- Training sessions throughout the season with Level 3 or 4 instructors (2-day season opener and afternoon sessions on most program days)
- CSIA/CASI partial course tuition reimbursement
- Subsidized uniform
- Social atmosphere with a fun and dynamic team of over 60 instructors

NTSC Instructor Questionnaire

Please provide your relevant Snow Industry Experience along with:

- Highest Certification and Date Received
- Other Certifications and Dates Received
- Number of Days On Snow in 2018
- Number of Lessons Taught in 2018
- Training Taken in 2018

Please answer the following questions:

1. Why are you interested in teaching with North Toronto Ski Club?
2. What makes you the right person to be an instructor with North Toronto Ski Club?

Interested instructors should send their completed questionnaire to the following before:

August 1, 2018 11:59 pm
